

she has assured herself that it is physically comfortable. Rocking the cradle is as much out of fashion as rocking the boat.

"Strange isn't it how very many of those most poetical and emotion gripping phrases that have been always supposed to flatter women into quiet acceptance of a secondary place in the great plan have been

found to be dangerous to both men and women when carried out practically to their logical conclusions."

Mr. Holmes stopped walking on my toes. I had disappointed him. I did not take all he said to me as gospel just because a man had said it. I had dared to differ with a man. I had committed treason.

## INTO EXILE! KING PETER OF SERBIA FLEEING BEFORE GERMANS IN OX CART

A remarkable photograph showing the tragedy of Serbia. The pathetic figure seated on the ox cart is Peter, King of Serbia, snapped as he fled before invading Germans into exile in Italy. The ox cart, used as a royal coach, had been in use as an ammunition wagon in Serbian army.
